# Blue Chips Take Beating At New York

NEW YORK (UPI)—Stocks met their most severe selling in two-and-a-half months.

At the lows the list showed declines ranging to more than 5 points in such an outstanding blue chip as du Pont. All the chemicals fell with this leader.

Steel shares were hard hit and their losses extended to more than 3 points. Rails had losses running to 3. Oils were off 1 to 3 points. Coppers had extreme losses ranging to 2 points. Specials were down 2 to 3 in many instances.

The decline, accompanied by increased volume, had the appearance of a selling climax although the market appeared able to take all offerings without real difficulty. Some of the wide changes reflected what Wall Street calls a thin market—only a small floating supply of stock which makes for sharp fluctuations.

At the lows the general average was at its worst since the session before Christmas.

### *Setback at Toronto*

TORONTO (CP)—The stock market received its sharpest setback since Nov. 24 as it dropped back in moderate trading.

The final volume was 3,221,000 shares, compared with Friday's 3,652,000.

Among industrials two of the five most active gained, two lost and one was unchanged. Papers, motors and steels led industrials off. Great West Saddlery lost 3¼ at 44.

In senior mines International Nickel led losers off ⅞ at 88¼. Falconbridge dipped ¾ at 27½ and Hudson Bay was off ½ at 61¾.

Western oils lost as Calgary and Edmonton and Home B each backed down ¾. Pacific Pete was off ¼ at 16½. Among lower priced oils, Petrol was off eight cents at $1.95.

### *Banks Stay Strong*

MONTREAL (CP) — Prices fell sharply in moderate trading.

The decline was general with steels, base metals, papers, constructions, utilities, beverages and refining oils sharing the loss.

The only strong spot was banks up .26 at a new high of 60.94 on the index.

Nickel, off 1⅛ at 87⅞, was the biggest loser in the base metals. Noranda declined ½ at 56.

In papers, Price Bros. lost a point at 47. Consolidated fell ¾ at 43¼ and Bowater was unchanged at 6⅝.

Shawinigan lost ⅜ at 31½ and B.C. Telephone declined ¼ at 40½ in utilities. Bell was against the trend, up ⅛ at 42⅝.

In construction issues Dominion Tar declined ⅛ at 15⅝ and Gypsum lost ¼ at 43.

CIL lost ¼ at 17¾.

### *Advances by Coppers*

VANCOUVER—Coppers made the best showing with Bethlehem rising to 1.11, Cowichan to 1.08, Midwest to 26 cents and Canam to 24. Craigmont was firm at 3.70.

Among other mines Sheep Creek advanced to 1.32 and Silver Standard to 27 cents. Bralorne was 7.60.

Oils eased with Tidal at 1.81, Peace River .58 and Basco .66.

Most industrials eased with B.C. Power at $37¾. Trans Canada at $27½ and Trans Mountain at $12½. Alberta Distillers was steady at 3.05.
